

June 3, 2015

Hello all,

I'm looking forward to starting AP World History next fall, and hope you are as well. I know at this point in the semester this packet is the last thing you want, but if you'll give these readings and website a chance, I think you will find it very helpful.

This Summer Packet is not officially "required," but I would strongly suggest you do this in order to give yourself a "head start" during the 1st week of school. We'll "hit the ground running" next August and completing this "Summer Packet" will make the class much easier!

Assignments: (Due date is August 28th, 2015 for extra credit to be awarded)

1. Read Overview of APWH handout
2. Complete History Jargon handout.
3. Read and answer questions from an A.P. World History Study Guide. This can be purchased online.

Suggested: 5 Steps To A 5, A.P. World History by Peggy Martin or an equivalent.

Thanks,

**Mr. Trout
