GRADUATION REQUIREMENTS

During the past several years the state of Florida has made considerable changes to the graduation requirements for a standard high school diploma. The requirements are different for each cohort (Freshmen, Sophomores, Juniors, Seniors) and can be viewed at <http://www.fldoe.org/students/>. We encourage parents and students to review the document together to have a clear understanding of the expectations for earning a high school diploma.

General Information

ATTENDANCE

Regular attendance is one of the most important factors in making good grades. It is also an important quality for success in the job market. All absences are considered unexcused unless the student presents an excused note to the front office within 3 school days of the absence. Students must submit a note signed by a parent/guardian stating student name (first and last), reason for and date of absence, and phone number of parent/guardian to the front office. An excused absence allows the student to make up work at full credit.

EARLY DISMISSAL

When a student must be released early from school, the student will need to:

- Bring a signed note from home stating the reason for the dismissal, requested release time, and a phone number where the parent/guardian may be reached for verification.
- Present the note to Student Services PRIOR to 9:30 am. Notes presented just prior to the dismissal time may need to wait for verification before dismissal.
- A parent/guardian or other authorized person must sign out students in Student Services or, in the case of illness, the clinic.
- Students are to wait in the office until their ride arrives and they

have been signed out appropriately.

- Parents are not authorized to give students permission to leave campus without following proper sign-out procedures. Students leaving campus without following sign-out procedures may be subject to disciplinary action.

PARKING

Parking in a school lot is a privilege. Students will park only in lots designated as student parking and will display a current parking permit. Vehicles that are not registered or are inappropriately or illegally parked, or parked so as to cause a safety hazard, may be warned, booted, or towed at the owner's expense. Students are not permitted in the parking lot during the school day. Anclote High School is a closed campus. Students are not allowed to leave campus during the school day without permission. Students who leave campus without permission will be subject to disciplinary action. A vehicle, upon reasonable suspicion, may be searched for weapons, drugs, or other items which are illegal, or against School Board policy. If any of these items are found in the car, appropriate legal action will be taken and the parking permit will be revoked.

LOCKERS

Lockers with combination locks will be issued through student services

during the first week of school to those who pay the locker fee. Students are not allowed to change the locks unless approved by administration. Lockers are issued for the storing of school supplies only, and routine inspection of lockers can be expected. The school is not responsible for items in the lockers. Students who share their locker or who give their locker combination to others will be held responsible for the content of their locker, such as lost/stolen items, including textbooks. All physical education clothing must be kept in P.E. lockers.

LUNCHES

FREE breakfast is served daily in the cafeteria from 8:30–8:45. Eating areas are available in the main cafeteria, the patio area located adjacent to the main cafeteria, and the picnic area adjacent to the gym. Anclote High School is a closed campus. Students are not allowed to leave for lunch. In addition, meals may not be brought to students during the school day. If an emergency arises, please contact Student Services to make necessary arrangements. Anclote High School is honored to welcome the prestigious Cambridge Programme this year. The Advanced International Certificate of Education (AICE) is an innovative and accelerated method of academic study offered solely through the University of Cambridge in Cambridge, England.

Class of 2018 Seniors

Seniors, mark your calendars! Gigante Productions will be on campus Wednesday and Thursday August 2nd-3rd and Tuesday-Wednesday August 8th-9th to take Senior portraits. Be sure to schedule your appointment at the Yearbook table during Orientation Day.

Student Expectations

ELECTRONIC DEVICES

Students are expected to follow the district electronic use policy. It is the expectation of Anclote High School that all electronic devices remain off and out of sight during class unless authorized for classroom educational purposes, as determined by the teacher. In addition, students will be permitted to access personal electronic devices during the lunch period. Students are responsible for electronic devices brought from home and are encouraged to secure all personal devices. The school is not responsible for lost/stolen items as a result of careless behavior and will not be investigated by staff or the School Resource Officer.

DRESS CODE

Students and parents are encouraged to review the District School Board of Pasco County's Rules of Dress and Appearance in the Student Code of Conduct. The following are common violations and should be reviewed with students prior to the start of school.

- tops must have strap/sleeve of at least three fingers in width
- shorts and skirts must be of modest length (modest length will be considered at the end of a student's fingertips when arms are at their sides, in a relaxed position)
- blouses, shirts, and sweaters cannot dip below a line formed between the

right and left armpit (this includes, front, back, and sides of garments)

A student in violation of the dress code will be required to change into appropriate clothing before returning to class. If necessary, the student will contact parents to provide the appropriate clothing. Failure to do so, or repeated violations, will result in a discipline referral.

FOOD AND DRINKS

Parents and students are reminded Anclote High School is a closed campus. Students are not permitted to leave for lunch. In addition, meals may not be brought to students during the school day. If an emergency arises please contact the front office to make necessary arrangements.

LOSS OF PRIVILEGE

In an effort to support the significant roll attendance plays in academic performance, Anclote High School will be enforcing a Loss of Privilege system whereby students may lose the privilege of participating in extracurricular activities and/or events based on attendance and discipline. These include but are not limited to field trips, dances, special events, club activities and participation in athletics and interscholastic extracurricular activities. Interscholastic extracurricular

activities are those organized student activities between, among or within schools that are carried on outside the curriculum or regular course of study in school. These activities may involve displays of talent that include, but are not limited to, sports, speech, debate, and fine arts interscholastic competitions or festivals and career and technical student organization activities. If a student has 5 unexcused absences in any one course/period within a quarter the student may lose the privilege of participating in extracurricular activities until the end of the following quarter. In addition, students with a Level 2 or Level 3 discipline referral will be placed on the LOP list and remain until appealed to the grade level administrator.

Parents are asked to review these expectations with their students prior to the start of the school year. Your support is greatly appreciated.

COMMUNICATION: STAY CONNECTED

At Anclote High School we understand the importance good communication plays in the successful education of our students. It is our goal to communicate with parents in a variety of formats, including newsletters, MyStudent, School Messenger, and our school website. In order to assist us in this process, please be sure to update your contact information as changes occur. Parents can contact Anclote High School's data entry operator at 246-3006 to change or verify contact information.

MyStudent

The best method of communication is through the use of MyStudent where families can monitor student academic progress as well as attendance. Once school starts visit Anclote High School's website at <http://ahs.pasco.k12.fl.us> for directions on how to set up a MyStudent account and stay connected to your student's performance.

Welcome Back Sharks!

A message from the principal ...

I look forward to the start of the 2017-18 school year and welcoming back our Sharks. AVID is in its third year of implementation with AHS graduating our first cohort of AVID students in 2018. This year we bring the Cambridge Programme to our campus. The Advanced International Certificate of Education (AICE) is an innovative and accelerated method of academic study offered through the University of Cambridge in Cambridge, England. This prestigious academic opportunity will be offered to select ninth and tenth graders in its inaugural year.

The purpose of this newsletter is to provide you with the most up to date information regarding the opening of school and any changes you should be aware of as you transition back into the school schedule.

Families are encouraged to access the school website where important information is posted on a regular basis. In addition, I send out a weekly message on Sundays through our School Messenger system.

Communicating effectively with families is a priority for the staff at Anclote High. To meet that goal, it is important all contact information is accurate for our students. Now, and as the school year progresses, any changes to this information should be updated through the data entry operator at 727-246-3006. Please mark your calendar for Thursday, August 24th to join us for our Shark Family Spirit Night. This will be an opportunity to preview the school and participate in a pre-game tailgate, followed by our JV Sharks taking on the Fivay Falcons at 7:00.
