Place Your Student on a Path to Success!

Take Stock in Children Scholarship Program
2020-2021

Your student may be eligible to receive a ***free scholarship*** that will cover tuition & fees for up to four years at any eligible Florida university or college.

Since 1997, **Take Stock in Children**, in partnership with the **Pasco Education Foundation & Pasco County Schools**, has provided motivation, support and academic assistance to Pasco County students who need it most.

Our innovative program not only provides a free scholarship to students who adhere to our contract, but also matches each student with a caring mentor committed to their success and provides all students with a trained College Success Coach who will deliver free educational & career counseling.

In order to be considered for this transformative program, student must:

- Meet income eligibility requirements.
- Have a minimum 2.5 GPA with good attendance.
- Provide two school references.
- Be current 8th or 9th grader in Pasco County Schools.
- Agree to adhere to a crime and drug free policy.

*The online application is available now through **April 1, 2020**.*
