For any student missing their Math (ALG 1/GEO) or ELA testing requirement for graduation, this is the time to get the passing score for graduation! Please be sure to be on campus for this free testing day. Any other students who want to improve their score on the SAT can use this as a good practice test for the real college reporting SAT.

Graduation is June 2nd at 1PM at the USF SunDome!! The deadline to pay the graduation fee is 12/2/22. Fees are \$100 & include cap, gown, tassel & diploma cover.

Pay by cash, check or credit card.

We strongly encourage you to pay by card by visiting the school website at
