RESPECT ★ EXCELLENCE ★ PRIDE

Dear Parents/Guardians:

Between the dates September 23rd through October 25th our school will participate in the Gallup Student Poll.

Gallup provides analytics and advice to organizations around the world, and it launched the Gallup Student Poll in 2009. The Gallup Student Poll is a brief, 22-item survey available online for students in fifth through 12th grades. The Gallup Student Poll covers the following themes:

- **Engagement** is students' involvement in and enthusiasm for school
- **Hope** is the ideas and energy students have for the future.
- **Belonging** is feeling accepted and included as part of the school
- **Additional elements** focus on how people learn to understand and manage emotions and establish positive relationships with others.

The Gallup Student Poll gives students a voice in building great schools, and results provide schools with important, actionable information beyond standard measures, such as grades and test scores, to help schools make kids ready for the future. To date, there have been over **6 million** completes of the Gallup Student Poll. Please visit the Gallup Student Poll homepage at <https://www.gallupstudentpoll.com/> to view the survey items and learn more.

This survey is anonymous and voluntary. That means Gallup cannot identify your student, and your student's individual responses will not be shared with anyone. Only grade, school, district and other group-level results will be shared with our school. Students do not have to participate if they do not want to, and they may skip any item they do not wish to answer. There are no consequences or penalties if your student does not participate.

Email Gallup Education at educationhelp@gallup.com if you have questions about this survey or contact your school principal.

Sincerely,

Vanessa Moon, Principal
